# FOREWORD

AT LAST it is yours!—  
the first ONTAROGA!  
And it comes to you with a hope  
that it will keep fresh in your  
memory the character-building  
days you have spent here at Lees-  
McRae. Ontaroga itself, means,  
“Place of Rocks and Hills.” Is  
that not significant of our sur-  
roundings—mountains, streams,  
stones, pines? May they ever  
seem close to you, made real in  
the pages of the ONTAROGA!

## “Red Band” is Bound to Bake Perfectly

Every batch of RED BAND FLOUR is success-insured. Our own Laboratory analyzes every shipment of wheat to make sure that it has just enough glutens and starches.

The flour, itself, is tested again and again for food-value, fineness, quality  
But not until it meets the greatest test of all—that of actual baking—is it allowed to leave the mill!

### Alma Mater

(Tune: "Columbia, the Gem of the Ocean")

*Far away in a beautiful valley  
Where the river rushes by,  
And the mountain peaks so lofty  
Are close against the sky,  
Stands our cherished Alma Mater,  
To whom all praises belong—  
To her we raise this chorus,  
To her we sing this song!*

#### Chorus

*Three cheers for the L.-M. C.!  
Three cheers for the L.-M. C.!  
Long may she live and prosper!  
Three cheers for the L.-M. C.!*

*These, the colors we have chosen,  
Green and gold our symbol make,  
Green, the living, true life-giving;  
Let us ne'er her teachings forsake,  
While the golden hours are passing  
Let us to our motto give heed,  
"Not less than the best", and remember  
We're striving in all things to lead.*

*And when the time comes for parting  
And we say our final good-bye,  
And we go out into Life's conflict  
Where'er our pathway may lie,  
Let us take these high ideals with us;  
They will help us the evil to shun;  
And when we end Life's journey  
May we hear the plaudit, "Well done!"*

(Composed by Miss Lulu Arrowood, Teacher of Music, 1904.)
